FROM THE DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL,
AND APPROVE AN APPROPRIATION ADJUSTMENT
(4th & 5th DISTRICTS) (4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve a grant award from the State of California Department of Alcoholic Beverage Control (ABC), to fund deputy overtime, benefits, travel, and equipment for the Lakewood and Pico Rivera Sheriff's Stations to implement the "Grant Assistance to Local Law Enforcement Agencies Project" (GALE). Each grant will enforce State liquor laws and reduce alcohol-related crime in the areas served by the stations for a total project cost of \$100,000, which is fully funded by the grant with no match requirement.
2. Adopt a Resolution (Attachment I) authorizing the Sheriff of Los Angeles County, as agent for the County, to sign and execute two (2) \$50,000 grant award agreements from the Department of Alcoholic Beverage Control, and any subsequent amendments, modifications, augmentations, contracts, extensions, and grant renewals pertaining to said grant.
3. Approve an Appropriation Adjustment for \$100,000 to be fully offset by State grant revenues (Attachment II).

A Tradition of Service

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

ABC has issued notice to award two (2) \$50,000 grants to the Sheriff's Department, specifically, Lakewood and Pico Rivera Stations (Attachment III). ABC has consistently awarded this grant to Sheriff's Stations within Los Angeles County since 1995. Applications requesting funding to implement the Los Angeles County Sheriff's Programs were submitted to ABC in March 2004. On June 6, 2004, ABC sent notification to the Sheriff's Department of their successful selection for funding. The Department of Alcoholic Beverage Control requires that the attached Resolution be adopted by your Board and returned to them in order to execute the grants.

The Los Angeles County Sheriff's Department will implement an Alcohol and Beverage Control Program for the selected program areas. The primary focus of each project is to reduce the incidence of alcohol-related offenses throughout the area, which directly relates to the number of driving under the influence (DUI) arrests. This will be accomplished by utilizing trained special assignment deputies on an overtime basis. The special assignment deputies will identify and target problem establishments. The deputies will coordinate with ABC investigators to provide fast track sanctions against problematic establishments. Licensed establishments will be given the opportunity to improve their understanding of the laws or will be targeted for inspections.

Implementation of Strategic Plan Goals

This program will meet the County's Vision, Goal 1: Service Excellence, by providing quality public service to individuals, families, businesses, and communities.

FISCAL IMPACT/FINANCING

The \$100,000 in grant funding from ABC will allow the Sheriff's Department to implement ABC Programs at Lakewood and Pico Rivera Sheriff's Stations focusing on alcohol dispensing establishments. Approval of the Appropriation Adjustment is requested. The programs' costs will be offset by grant revenues from the ABC.

The Department of Alcoholic Beverage Control grant awards will fully cover the cost of each of the Sheriff's ABC Programs without any match requirement from the County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The ABC grant award period is for a 12-month term, from July 1, 2004, through June 30, 2005. The contractual requirements of the grant award and the Resolution have been approved by County Counsel.

IMPACT ON CURRENT SERVICES

These two grants, for the two Sheriff's Stations, will impact the communities served by addressing concerns of nuisance and criminal complaints, which have increased over the past few years, in and around many of the ABC licensed establishments within the stations' areas. Current Sheriff's resources are not able to address the problem adequately. The local District Attorney's Office has demonstrated a willingness to file and prosecute cases against minors and agents for licensees who sell alcohol to underage persons.

CONCLUSION

Upon the Board's action, the Sheriff's Department's Grants Unit needs to obtain four (4) individually certified copies of the Board-adopted Letter and two (2) original signed Resolutions to meet the ABC's requirements.

The Sheriff's Department contacts for the requested Board action are:
Karen Anderson, Grants Unit Manager, (323) 526-5408, or Marcelle Murr, Grants Coordinator, (323) 526-5222.

Respectfully Submitted,

Los Angeles County Sheriff's Department

Dear Sheriff Baca:

Congratulations! Your agency has been selected by the Department of Alcoholic Beverage Control to receive funding for your grant proposal for the Lakewood Station in the amount of \$50,000 and for the Pico Rivera Station in the amount of \$50,000.

Grant contracts will be forthcoming within the next two weeks which requires a resolution from your agency's governing body. A sample resolution was included in the set of grant forms previously mailed to you. Due to the fact these resolutions have to be put on your governing body's calendar, we ask that you do this as soon as possible.

We are planning a two day training conference July 20-21, 2004, at the Embassy Suites Hotel in San Luis Obispo. It is encouraged that your Project Director and officer assigned to the grant program attend this conference. The conference will be a valuable training experience in alcoholic beverage control issues. It will also be an excellent opportunity for the officers and deputies from the grantee agencies to meet and share information.

A block of rooms at a special conference rate of \$84.00, plus tax, has been reserved for conference participants. Please note that attendees must make reservations by the hotel's deadline of **July 2, 2004**, to guarantee the special room rate. Space at the hotel is limited and late registrants may be referred to a nearby hotel. In addition, there will be a \$150.00 registration fee for each person attending the training.

Participants must contact the Embassy Suites Hotel **direct** to make reservations by calling 1-805-549-0800 or 1-800-EMBASSY. Please advise the hotel you are a participant of the Alcoholic Beverage Control group to obtain the special conference rate. Due to the short time frame for registering at the hotel, your prompt attention is appreciated. We have also enclosed a registration form to attend the Grant Training Conference, which should be faxed no later than July 9, 2004.

If you have any questions, please call Patsy Tomasello, Grant Coordinator, at (916) 419-2555.

Sincerely,
